Dear Jui-Sheng Chou,

You're probably busy, but we wanted to send you a quick reminder about your latest achievement - being included in **Research.com 2026 Ranking of Best Scientists in Computer Science** that has just been published here: <https://research.com/scientists-rankings/computer-science>

You were ranked **4985 in the world** and **37 in Taiwan**. Congratulations!

You can find your personal Research.com profile here: <https://research.com/u/jui-sheng-chou>

Other ranking scientists from National Taiwan University of Science and Technology are listed here: <https://research.com/university/computer-science/national-taiwan-university-of-science-and-technology>

If you'd like to share the ranking with your colleagues or scientific community, **feel free to distribute and publicize it in any way you see fit.**

90.34.2

With Best Regards,
